Dear brethren,

8TH ANNUAL FOUR SEAS LECTURESHP  
NOVEMBER 25 – 28, 2015  
THEME : “LIVING SOBERLY & RIGHTEOUSLY”

Our 8th Annual Four Seas Lectureship scheduled for November 25th to 28th will take place in about three months’ time. We encourage you to make plans to be a part of this great event. Twenty two lessons on the theme of “LIVING SOBERLY & RIGHTEOUSLY” will be presented over the 4-day Lectureship. We aim to discuss lessons on key areas of worldliness that continue to pose challenges and dangers in drawing Christians away from living active, productive and faithful lives in service to God. The lessons also aim to provide teachings from the Scriptures on how one may conduct oneself in this life so as to be able to ‘abide forever’ by doing the will of God (1 John 2:17). Speakers from America, Australia, India, Indonesia, China, Malaysia and Singapore will be featured.

During the duration of the Lectureship, a daily chapel devotion at 8.15am will be conducted in the Lecture Hall of Four Seas College (3rd floor). Four of our students will be delivering a fifteen-minute sermon each morning. Please come to listen and support them in their preparation to be gospel preachers.

Two Gospel Meetings will also be held simultaneously at the church premises of Jurong and Lim Ah Pin. Brethren Glen Tattersall/Dennis Johnson/Billy Bland/Tim Burroughs and Larry Keele will speak on the theme of “World in Crisis” at Jurong from Nov. 25th – 29th (Wed-Sun). Brethren Tim Burroughs/Dennis Johnson/Larry Keele/Billy Bland/Glen Tattersall will speak on the theme of “Answers to Life’s Greatest Questions” at Lim Ah Pin from Nov. 26th – 29th (Thurs-Sun). We pray that visitors at the two nightly meetings will be enlightened, and members will be edified by the proclamation of God’s message to mankind today.
